RE: Canadian Food Grains Bank Donation

Dear Dave, Carolyn and Angie:

Thank you for participating in the Canadian Food Grains Bank Donation (CFGB) plot this past season. The total income from the plot was \$10,834.27, less \$17.48 of expenses. The breakdown is as follows:

\$6,674.46 - Value of soybeans
\$2,239.81 - Value of donated trucking, handling, shipping and export
\$1,920.00 - Community CRC collection donation
\$10,834.27
- \$17.48 - Ontario Soybean Growers Marketing Board fees and GST
\$10,816.79

The final amount of \$10,816.79 when matched 4:1 by the Canadian government translates to \$54,083.95 for the CFGB. This means the ability to feed 541 needy families of five for three months. CFGB truly is a Christian response to hunger that continues to be blessed. Thank you for your donation--without it this work is not possible. A special thank you to Angie for all the work in securing the transportation and export donations.

Sincerely:

Calvin Dentz - Community CRC diaconate
